

## The Secret of Health is Elimination of Waste

Every business man knows how difficult it is to keep the pigeon holes and drawers of his desk free from the accumulation of useless papers. Every housewife knows how difficult it is to keep her home free from the accumulation of all manner of useless things. So it is with the body. It is difficult to keep it free from the accumulation of waste matter. Unless the waste is promptly eliminated the machinery of the body soon becomes clogged. This is the beginning of most human ills.

## NOW HER FRIENDS HARDLY KNOW HER

But This Does Not Bother Mrs. Burton, Under the Circumstances.

Houston, Texas.—In an interesting letter from this city, Mrs. S. C. Burton writes as follows: "I think it is my duty to tell you what your medicine, Cardui, the woman's tonic, has done for me.

I was down sick with womanly trouble, and my mother advised several different treatments, but they didn't seem to do me any good. I lingered along for three or four months, and for three weeks, I was in bed, so sick I couldn't bear for any one to walk across the floor.

My husband advised me to try Cardui, the woman's tonic. I have taken two bottles of Cardui, am feeling fine, gained 15 pounds and do all of my housework. Friends hardly know me, I am so well."

If you suffer from any of the ailments so common to women, don't allow the trouble to become chronic. Begin taking Cardui to-day. It is purely vegetable, its ingredients acting in a gentle, natural way on the weakened womanly constitution. You run no risk in trying Cardui. It has been helping weak women back to health and strength for more than 50 years. It will help you. At all dealers.

### SEGREGATION ACT

Passed by Outgoing City Council of Madisonville

Madisonville, Ky., Nov. 30.—A "segregation" ordinance perhaps the only one passed by any city council in the State of Kentucky, was passed by the outgoing Council at their last meeting last night. The ordinance is passed, the Council claims, in order to prevent conflict and ill feeling between the white and colored races in the city, and to preserve the public peace and promote the general welfare and health by making reasonable provisions requiring the use of separate blocks for residence by white and colored people, respectively.

The ordinance provides that it shall be unlawful for any white person to use as a residence any house, building or structure or a part thereof located in any negro block, the same provision for a negro living in a white block. In case where a negro now lives in the same block with the whites, his removal therefrom will make the block strictly for the white, and vice versa.

For violation of this ordinance a fine of \$5 to \$50 for each day the offender remains under these conditions.

The ordinance was discussed at some length, finally receiving the vote of the Council, becoming effective immediately.

But few negroes live in the same block with whites now.

### INDIGESTION OVERCOME

Overcome by Simple Remedy. Hurried and careless habits of eating, irregular meals and foods that do not harmonize, tend to weaken the digestive organs and result in different forms of stomach trouble.

If you are one of the unfortunate who have drifted into this condition, eat simple foods only, slowly, regularly and take Vinol, our delicious cod liver and iron tonic.

Mrs. H. J. Smith, Thomasville, Ga., says: "I suffered from a stomach trouble, was tired, worn out and nervous. A friend advised me to take Vinol. My stomach trouble soon disappeared and now I eat heartily and have a perfect digestion and I wish every tired, weak woman could have Vinol, for I never spent any money in my life that did me so much good."

The recovery of Mrs. Smith was due to the combined action of the medicinal elements of the cod's liver—aided by the blood making and strength creating properties of tonic iron, which are contained in Vinol. We will return the purchase money every time Vinol fails to benefit.

P. S. Our Sazo Salve stops itching and begins healing at once.
